TO

Future Arbutus students and parents

All students who attend École Arbutus Global Middle School are invited to participate in the many music classes offered at our school. Students may participate in strings, band and choir. Students willing to be dedicated to more than one ensemble are encouraged to do so (i.e. both band and strings). This is in addition to the music exploratory where all students will explore music of other cultures, ukulele and computer music.

To facilitate scheduling, it is important for us to know which students will be participating in the strings and band programs. For beginners, selection of a specific instrument will be made at a later date. Choir enrollment will take place in September. All parents are asked to complete the form below and return it to your child's classroom teacher or to the Arbutus Middle School office.

Sincerely yours,

Michael Mazza and Jennifer Hill
